Each of these parties are incorporated as Defendants in each and every count and averment listed above and below. Upon information and belief, Defendants, John Does, were agents, servants, workmen, or employees of Co-Defendant, liable to Plaintiffs hereunder.

**III. Operative Facts**

- 8) On or about September 18, 2014, Plaintiff, Noel Davis was visiting her boyfriend, Plaintiff, Dhameer White at address 4904 Gina Court in Voorhees, New Jersey (his former address).

9) Davis arrived at White's apartment around 3:30 p.m. Davis was dirty from work and needed to take a shower.

10) Approximately one week prior to the events of September 18, 2014, Davis had undergone reconstructive breast surgery for treatment of ectodermal dysplasia. Davis had taken time off of work for the surgery. Davis' stitches and bandaging were plainly visible while she was undressed.

11) Around 4:00 p.m., while Davis was still in the shower, Davis heard a loud knock on the door to White's apartment. White did not answer. Davis wrapped herself in a towel and got out of the shower to see who was at the door.

12) Davis opened the door from White's bathroom to the main living room, and observed White approaching the front door with his cell phone in hand and recording. A Voorhees police officer then kicked the front door in, and multiple officers entered the apartment with assault rifles drawn and pointed at White.

13) Defendant Officer, John Doe ordered White to "get on the floor." Davis observed that White immediately complied. Defendant Officer, John Doe then ordered a canine unit to attack White. Davis witnessed the canine maul White, and observed White bleeding and crying.

14) Terrified, Davis ran back into the bathroom and closed the door behind her.

15) Three (3) male officers, Defendant, Michael Perez and Defendants, John Does, entered the bathroom with their assault rifles drawn and pointed them at Davis. Davis put both her hands up.

16) Davis asked Defendant officers what was happening. Defendants said: "This is a raid. We have to detain you." Perez then approached Davis, hyper-extended her hands behind her back, and placed her in handcuffs.

17) Davis told Perez she had just had surgery, that the handcuffs were hurting her, and requested that Defendants loosen them. Davis' bandages and stitches were visible to the Defendants.

18) Defendant, John Doe said "No! Shut the fuck up!" and marched Davis out of the bathroom.

19) Davis entered the living room in handcuffs and again observed White on the floor, bleeding and crying. Davis asked him if he was okay and prayed for him. Defendants, John Does again told Davis "I said shut the fuck up!" and made her leave the apartment, still wearing only a towel.

20) Davis asked if she could dress herself. Defendant, John Doe said "a towel is fine."

21) Davis was made to stand outside White's apartment in handcuffs and wearing only a towel for approximately one hour in broad daylight, while police searched the apartment. Davis was publicly humiliated because her towel was slipping and her detainment was visible to White's neighbors. Davis was also in severe pain from being handcuffed. While Davis was being detained, Defendants explained that they were conducting a drug raid.

22) After searching White's apartment, Defendants removed Davis' handcuffs and informed her that the raid was over. Davis asked the Defendants if they found anything. Defendants said "No; but we're taking this," then attempted to confiscate Davis' iPad, prescription medication, and cell phone.

23) Davis told Defendants they had no reason to take these items and that she would sue them if they confiscated her property. Defendants laughed and said "...that will never hold up," but made no further attempts to confiscate Davis' property.

24) Before leaving the apartment, Defendants took White's cell phone and deleted the video White had taken of the raid.

25) Davis was still in pain after being released from handcuffs. Immediately after the raid, Davis noticed that her stitches had loosened and were starting to bleed.

26) Within two weeks of the raid, silicon began dripping around the loosened stitches and Davis' pain worsened. Davis went to her doctor, who informed her that her stitches had unraveled because of "excessive stretching" and that he would need to redo her surgery.

27) Davis underwent a second surgery on or around March 2015. As a result of same, Davis missed an additional three (3) weeks of work.

28) Davis was terminated by her employer around August 2015. Davis was told the reason for her termination was that she was "not reliable," because she had been employed less than a year and had already needed two major surgeries.

29) As a result of Defendants' conduct Plaintiffs have suffered severe physical injury, pecuniary harms, fear, humiliation, and emotional distress.

30) The conduct of the Defendants was part of a custom, policy and/or practice and these customs, policies or practices caused the violations of Plaintiffs' rights.
